<https://www.linkedin.com/in/aaron-carson>

I am an eager and versatile student who is up for a challenge. I am more than willing to complete any and every task expected of me to a high level. I also provide excellent customer service - a skill which has been regularly recognised within employers!

- Can work well as part of a team but I'm more than capable of working on my own initiative
- Supportive of others
- Good problem solver
- Creative
- Technically adept
